COMMUNICATION

On 02 May 2003, applicant filed international application PCT/DE03/01409, which claimed priority of an earlier United States application filed 07 May 2002. A copy of the international application was communicated to the USPTO from the International Bureau on 20 November 2003. The thirty-month period for paying the basic national fee in the United States expired on 07 November 2004.

International application PCT/DE03/01409 became abandoned as to the United States for failure to timely file the requisite basic national fee.

This application is being forwarded to the United States Designated/Elected Office (DO/EO/US) for further processing in accordance with this decision, including preparation and mailing of a Notification of Abandonment (Form PCT/DO/EO/909).
